

CONCEPT 6 SERIES

A shallow contemporary fully illuminous light source. Seemingly floating opal acrylic diffuser provides soft evenly distributed illumination for all environments. An ideal illuminare for the stylish home or office.

Dimensional Data

Specifications

Construction: All metal parts die formed from heavy gauge cold rolled steel housing spot welded to insure uniformity and dimensional stability.

Finish: All metal parts are thoroughly cleaned and treated to prevent rust and deterioration with a phosphate coating applied automatically in a five-stage process. Surfaces are then sprayed with high quality white enamel to provide a minimum of reflectance of 89%. Standard exterior color is white. (Black available upon request)

Diffuser: One piece .170 smooth opal 100% acrylic for a fully luminous light source. Special concealed hinges allow lens to swing down from either side to facilitate relamping.

Wiring: All ballast are 120 volt.

Approval: All units are Underwriter's Laboratories (UL) approved.
