

DC SERIES

Stylish ceiling/wall mounted luminaire in white finish with a variety of lamp combinations and sizes enhanced by linear sided acrylic diffuser. Ideal lighting for hallways, bathrooms and areas where a specialized touch is needed.

Dimensional Data

Specifications

Mounting: Back plate provided with adequate knockouts and mounting holes for either wall or ceiling installation.

Construction: All metal parts are die formed from heavy gauge cold rolled steel with overlapping end caps to insure uniformity and dimensional stability. One light and two light units same external dimensions.

Finish: Standard exterior finish is white. Woodgrain vinyl or polished chrome also available. All interior surfaces are electro-statically sprayed with high quality white enamel to provide a minimum reflectance of 87%.

Diffuser: Linear sided prismatic lens of extruded acrylic for controlled light.

Wiring: Standard ballast are 120volts.

Approval: All units are Underwriter's Laboratories (UL) approved.
