

ENW ECONOMY NARROW WRAP SERIES

Shallow economy narrow wraparound 2 lamp and 4 lamp units. Available in 24" and 48" lengths.

Dimensional Data

Specifications

Construction: Completely die formed from 22 gauge baked white enamel with ceiling spacer on ends. Sockets mounted onto ends.

Mounting: Individual or continuous run, surface or pendant mount.

Diffuser: Linear sided prismatic lens of extruded acrylic for controlled light. Diffuser is lift and shift for ease of relamping and is capable of hanging down from either side of housing.
